Crowd Control Barrier Single Gate

Steel Barricade Swing Gate

Crowd Control Gates are hand welded for strength, and fully hot dip galvanized with an option for custom colour powder coating. With an interlocking installation system and flat removable feet, our crowd control barriers are just as easy to set up as they are to stack and store. These pedestrian walk through barriers with gate access, can be used in conjunction with our crowd control barriers.

Height	3.0m	Width	1.3m
Frame Tube	40mmOD	Surface Treatment	Hot Dipped Galvanized, Powder Coated,
Color	Sliver, Black, Green, etc.	Door Lock Options	Mechanical lock / Facial recognition / Combination lock
