Metal Fence Double Gate

Double Residential Aluminum Walk Gate

Metal Fence Double Gate is a wide-access entry point consisting of two gate leaves that swing open from the center, designed for integration with various metal fencing systems. This configuration provides a much wider clear opening compared to a single gate while maintaining structural stability and ease of operation. The double-leaf design distributes weight more evenly, reducing stress on hinges and framework, making it ideal for vehicle access and wide entryways.

DESCRIPTION

Height: 1.0m, 1.2m, 1.5m, 1.8m, 2.0m, etc

Width: 2.0m, 2.5m, 3.0m, 3.5m, 4.0m, 4.8m, 6.0m, 10.0m

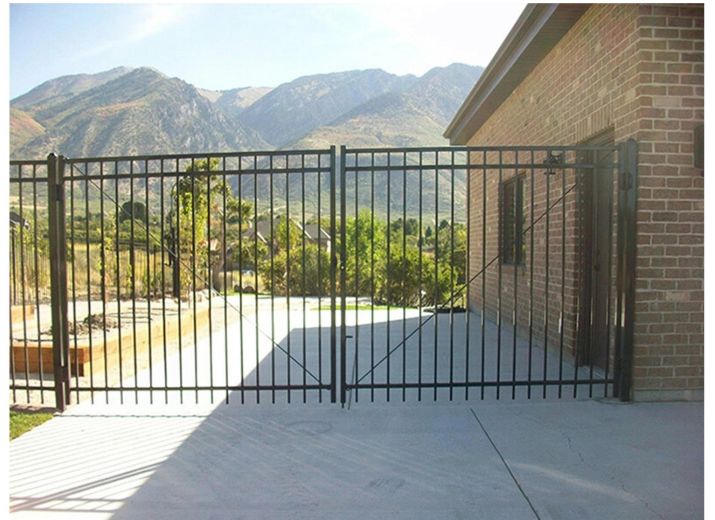

Vertical Tube Space: 50*100mm, 50*200mm,
75*150mm, etc.

Tube Size: 15*15mm, 19*19mm, 30*30mm,
40*40mm etc.

Post: 60*60mm, 80*80mm, 100*100mm, etc.

Surface Treatment: Hot Dipped Galvanized,
Powder Coated

Color: Silver, Black, Green, etc.

The Metal Fence Double Gate provides an optimal solution for properties requiring wide vehicle access without compromising security or aesthetic appeal. Its balanced design and robust construction make it suitable for both functional and decorative applications across residential, commercial, and institutional settings.

Designed for both functionality and aesthetic appeal, this Aluminum Fence Gate Pack is ideal for residential or commercial applications. With its corrosion-resistant, low-maintenance construction, this gate will provide years of reliable use while maintaining a sleek and modern appearance.
