## Palisade Fence Double Gate

### Double Leaf Palisade Gate

Palisade Fence Double Gate is really useful for creating a vehicle access point for all vehicles. It is easy to install and can be integrated into Palisade Security Fencing structures will keep your premises protected from intrusion. To secure the gate when it is closed you should shift the sliding latch bolt across and then slot to two drop bolts into the ground. You can also provide your palisade fencing and gate with extra security by using a Heavy Duty Padlock to lock the sliding latch bolt in place.
